\$100,000 Worth of Beautiful

From foremost makers of Europe in a sale commencing to-morrow at Prices That Mean a Saving of 33 to 50 Per Cent.

The buyers for these departments are abroad at the present moment. They have been visiting the centres of European manufacturing districts, and, judging by the volume of beautiful new goods that is now pouring in, they have not lost or wasted any time. That their purchases have been conducted in a good, businesslike manner is abundantly attested in the remarkably low selling prices we are able to make on the new goods. The styles, patterns and decorations in these latest importations are on a higher level of artistic beauty than any we have ever before shown. This great special sale will be held in our 3d floor China Department, the largest of its kind in the country.

Women who like to couple the beautiful and useful to economy will find this sale most alluring.
